

To use the Ford X-Plan, you can go to any Ford dealer and tell them you want to purchase a vehicle through the X-Plan. You will need to give them your Partner Code ( a9yaa) and a pin # (which you get at the website below).

If you want to view the X-plan price and/or inventory, go to [www.fordpartner.com](http://www.fordpartner.com) , enter plan code 'a9yaa' and then click on the submit button.

Then click on Pricing & incentives to get information on pricing and inventory

This is also where you get your pin number. Click on 'Generate My Pin'. You will need this number to give to the dealer.

You will see this screen when you click on vehicle & pricing button. You can choose the make of your choice.
